ELEVATED LIVING
haique[®]
— Luxury Surfaces —

“Haique” is a joint venture between the esteemed Aravali Group and Gattani Group, merging their expertise to create exceptional surfaces. This luxury brand harmoniously blends the timeless beauty of nature with cutting-edge innovation. Renowned for its avant-garde craftsmanship, Haique employs advanced techniques and precise execution to produce bespoke stone surfaces of unmatched quality.

The collections feature a stunning array of designs, from the sleek elegance of Quartz and the sophisticated allure of Neo Marble to the classic charm of Terrazzo. Each piece is meticulously crafted, showcasing intricate patterns and vibrant colors that elevate interiors. Committed to excellence, Haique ensures that every surface not only meets but exceeds expectations, transforming spaces into extraordinary realms of refined opulence.

Stone isn't just
a functional product,
its an object
of **Desire.**

ABOUT US

Born from Haique, a brand rooted in the 40-year legacy of the prestigious Aravali Group, Arc by Haique embodies the elegance and precision that define our luxury stone creations. With advanced CNC Waterjet technology at its core, "ARC" represents the perfect harmony of architectural strength and artistic finesse.

This specialized vertical focuses on the intricate finishing of premium materials such as marble, granite, quartz, and neo-marble, seamlessly blending cutting-edge innovation with artisanal craftsmanship. Every curve and contour reflect meticulous precision, resulting in surfaces that beautifully balance form and function.

ECO-ENGINEERED EXCELLENCE

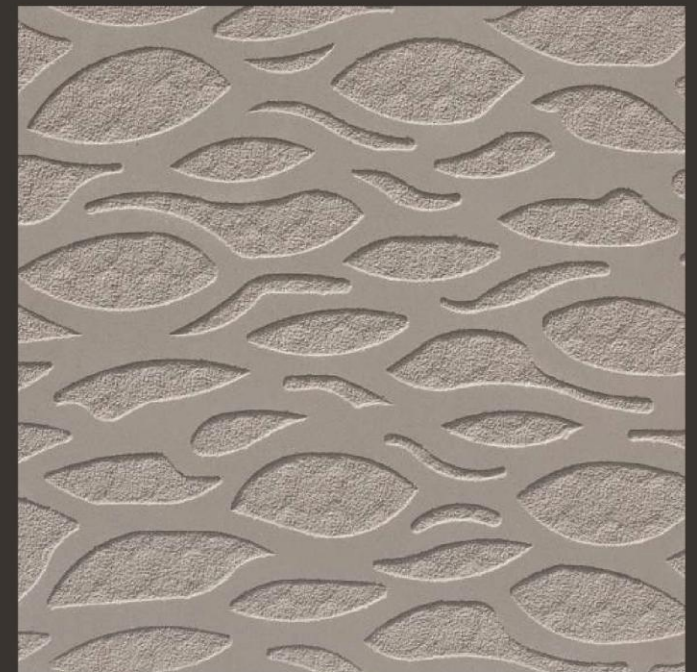

Our engineered CNC, waterjet and flute finishing procedures are consciously designed to minimize waste, optimize resources and respect the environment. By adopting advanced cutting-edge technologies and eco-conscious processes, we ensure that every masterpiece created is as sustainable as it is beautiful. For us, sustainability is not a choice, it's a practice. From sourcing to shaping, every surface reflects our commitment to a greener future while delivering timeless grandeur to your spaces.

INTRODUCING THE HYDRO LUXE SERIES

Where water becomes the sculptor and stone becomes poetry. With precision waterjet artistry, every cut transforms into a masterpiece of geometry, fluidity and elegance. Designed for those who see their spaces not as walls and floors, but as canvases of luxury.
